Brand Guide
(Think Sapphire)

Welcome to Think Sapphire

Think Sapphire is a brand dedicated to empowering students with the knowledge and skills they need to achieve their academic and professional goals. Our mission is to be the trusted partner on their journey to success. We believe in innovation, clarity, and integrity.

Purpose of this brand guide:

This document ensures everyone working with Think Sapphire speaks one consistent brand language, from visuals to messaging. By following these guidelines, we will build a powerful and unified brand presence.

Brand Color

Sapphire Blue

#003F91

Trust, reliability. Builds strong educational credibility.

Fresh White

#FFFFFF

Clarity, openness. Creates clean space, ensures readability.

Bold Red

#CC0808

Passion, achievement. Psychologically grabs attention with urgency.

How to use this palette

- Blue Main brand identity (logo, headers, uniforms, banners).
- White Backgrounds (social media, website, presentations).
- Red (#CC0808) → Accents (CTAs, highlights, achievements, student success posts).

Logo Usage: Do's & Don'ts

Do's

Maintain clear space.

Use correct aspect ratio.

Don'ts

Change logo colors.

Stretch or distort the logo.

Typography

Primary Font: Poppins

Used for all headings and titles. This font is bold and modern, conveying confidence and authority.

Secondary Font: Roboto

Used for all body copy and general text. This font is clean, readable, and professional.

Font Hierarchy

Heading 1 Example

Heading 2 Example

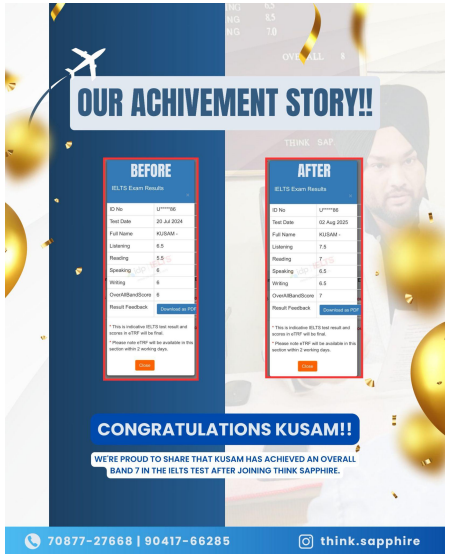
This is an example of standard body text. It is clean and easy to read.

Caption text example.

Visual Elements

Photography Style

Our photos are professional, bright, and clean. We focus on aspirational imagery of students, global cities, and success.



Tone of Voice

Our brand voice is confident, motivational, and supportive**. We speak with authority, but in an empowering way that resonates with our audience.

Wrong Example:

"Join IELTS today cheap coaching."

Right Example:

"Shape your future with global opportunities."

Think Success. Think Sapphire.

Application Examples

Marketing & Content Rules

CTA Style

All call-to-action buttons and links must be in **Bold Red** (`#CC0808`).

Success Stories

"Thanks to Think Sapphire, I got into my dream university!" - A happy student

Social Proof

Use testimonials and case studies with a clean, professional layout to build trust and credibility.

Think Sapphire is more than a brand – it’s a pathway to success.

Think Success. Think Sapphire.
