STRATEGIC TAKEAWAYS

Meta Dominance: Meta Ads accounted for the majority of spend (\$\$4,985.16) and remains the primary driver of reach across the board.

Sales Signals: New Retargeting/Sales campaigns on Meta successfully generated 11 purchases (\$\$30.03 avg cost) and are worth monitoring closely.

TikTok Efficiency: TikTok remains the most cost-efficient platform per click (\$\$0.01 CPC)—highly recommended for additional budget for high-volume traffic.

Google Scaling: Google Ads has 3 drafted campaigns not yet live; activating these could meaningfully increase overall reach and clicks.

Optimization: The Meta "08-06 Traffic" campaign remains the best performer (\$\$0.15 CPC) and is a prime candidate for additional budget allocation.
